Annual Review Checklist for Parent/Carers

Date of Annual Review

What	When	Notes for Parent	Your Notes
		Carers	
1. Invitation to attend the annual review meeting sent to: • parent or young person • early years provider, head teacher or principal • LA officer (Education) • Health Care Professional(s) • LA officer (social care) Other individuals and agencies relevant to the review should also be invited (e.g. job coaches, youth team, etc.)	2. At least two weeks before the meeting – not any later.	1. Although these people must be invited to attend, attendance is not compulsory. Where the young person attends a school/other institution, the Code of Practice considers that reviews are most effective where the educational establishment leads the review. 2. If you have received less than two weeks' notice of the meeting date, you should consider asking to postpone the meeting so the procedure can be carried out properly.	Date invitation received
1. Obtain information and advice from all invitees and circulate to all meeting invitees.	At least two weeks before the meeting.	1. The reports and information should provide details about the young person's progress and their access to teaching and learning, and consider whether the special educational provision currently being made is effective. Parents, young people or professionals can make suggestions about changes that should be made to the EHC plan. Having this	Date reports received
